RE: Art Supply List 2006-07

DATE: June 1, 2006

Holy Savior Menard High School and the art department welcomes you to the 2006-07 art program. We are proud of our efforts to provide you with an outstanding art experience, challenging students to think creatively. Through a well planned series of projects students will learn to research, develop and express ideas artistically as they explore art history, vocabulary, critique and art production.

Menard provides paints, papers, materials and speciality equipment for a wide variety of art experiences, however **students need to procure and maintain the following art supplies for their personal use.** These supplies will be used throughout the year and may need to be replaced from time to time. Most of the items are common items located at all stores so with all the special sale prices, I feel you will be able to save money by shopping for bargains. There are only a few items which will need to be purchased from an art supply stores like Michaels and Hobby Lobby. (10% off at Michaels when you identify yourself as a Menard student.) You may purchase all of the following items and any items you need/want in addition. Have fun buying your supplies-be creative. *There is nothing like a new box of crayons!*
