

# JOIN the HSM *Alumni* CHALLENGE

**GIVE \$100 and help us reach our goal!**

We were blessed with an incredible education from Menard.

## LET'S GIVE BACK!

By giving a gift, Holy Savior Menard is able to offer the best in

- Academics
- Athletics
- Campus Ministry
- Community Service
- Technology
- All the "extras" that make the value of a Holy Savior Menard education far exceed the price of tuition.

### Why does HSM need Alumni help/support?

Although we continue to find creative ways to keep HSM affordable, tuition only covers 72% of the cost to educate students. For the past 125+ years, we

have counted on Alumni Giving to bridge this gap. Please help our students become ROOTED in their education and SOAR into excellence!

A tax-deductible gift provides critical support to fill the gap between tuition and the actual cost to educate our Eagles. Please help us give the gift of education.

### Doesn't Holy Savior Menard receive support from the diocese or other church parishes?

Unlike other catholic schools, Holy Savior Menard is not connected to or supported by a church or parish. The primary source of funds (besides tuition) is the gifts of our alumni, parents, family and friends of our Holy Savior Menard community.

**We have 6,000 Alumni on our mailing list, if half give only \$100, we will meet our goal.**

**Dear members of the  
Holy Savior Menard family,**

Whether you are the parent of a current student, a graduate of Holy Savior Menard Central High School or one of its predecessor institutions, a member of the faculty or administration, a faithful Catholic in the pew, or the new Bishop of Alexandria, you are a valued member of the Holy Savior Menard family. All of us have an abiding interest in the intellectual, physical and spiritual formation of the next generation and particularly in the formation of current and future HSM students. For over 100 years here in Central Louisiana, our faith in Jesus Christ has been nurtured in the tradition that HSM now carries forward.

I was blessed to receive a Catholic education from first grade through my Bachelor's degree. Catholic schools certainly offer excellent academics, but they do much more. What is unique about the community of a Catholic school is that it focuses upon the whole student, and especially upon the moral and spiritual development of the youth of today. In a world beset by so many challenges, the stability and vision offered in a Catholic education will help our young people to be both good citizens and great disciples of Jesus Christ. The mission of HSM and all of our Catholic schools is to equip our graduates not just to survive our toxic world but to transform our culture in the light of the Gospel.

Thank you for your commitment to this great mission. Please continue your support.

Live Jesus in our hearts.

**Most Rev. Robert W. Marshall, Jr.**
