

SUPPLY LIST  
MATHEWS

**Advanced Mathematics Pre-Calculus**

- Binder/Loose leaf paper – Students will receive note taking guides for most sections. I recommend they use a 1.5 or 2 inch binder and loose leaf paper for organizing their notes and work.
- Pencils/Pens/Highlighters/markers
- TI-83/84 Calculator – Any version of these will work. They will be used often and are allowed on all quizzes and tests.
