

**ACT Prep  
Mrs. Shepherd  
Supply List 2023-24**

The following items will be used in class. These items are to be kept with the student at all times. These items will not be collected from the students, so they may use them in other classes as long as they have them in ACT Prep class.

TI-84/83 Calculator - This is REQUIRED and MUST be in class EVERY day!  
Students will be taught how to use this calculator and will need it to be successful in this class. If you are unable to purchase one for this class, please contact Mrs. Shepherd BEFORE school starts and she will discuss options with you.

pencils/pens - Something to write with on a daily basis

Binder/notebook/paper/folder - Students will need something on which to take notes and in which they can organize worksheets. Students may choose whatever method they wish for taking notes and staying organized. A three ring binder is recommended due to the large number of handouts that will be given in this class, but the choice of how to organize is left to the student.

Tablet/Laptop - Students will have work in an online software; this is a required part of the course. Students will need to bring a device capable of accessing the Internet to class each day.
